ORDER:

The 1st petitioner is said to have been granted approval for establishing an Engineering College by the All India Council of Technical Education on 14.09.2005. It claims to have made a representation to respondents 1 and 2 for inclusion of the name of the 2nd petitioner-college in the list of the approved colleges, for the purpose of allotment of candidates, during the counselling, and its grievance is that no orders have been passed thereon as yet. It is also stated that the Counselling for the said course is still in progress.

Heard the learned counsel for the petitioners and the learned Government Pleader for Higher Education.

In W.P.No.19204 of 2005 and batch, this Court dealt with the identical situations. The question as to whether the 2nd petitioner-college deserves to be included in the list of approved colleges needs to be considered by respondents 1 and 2 and having regard to the fact that the counselling is still in progress, it cannot be delayed. After considering the matter from various angles, a direction was issued in the said batch of writ petitions.

Following same, the writ petition is disposed of, directing the 1st respondent to take necessary steps in the matter of inclusion of the 2nd petitioner-college in the list of approved colleges, within a period of ten days from the date of receipt of a copy of this order. There shall be no order as to costs.
